

Dear 61st Annual Hummdinger Bowlers,

We apologize for the severe delay in the issuing of payouts from the 61st Annual Hummdinger Tournament. This year we came into a few situations where participants were disqualified from the tournament because of various reasons. After working with the USBC on the situation we were able to ensure that only the proper people remained in the tournament and were eligible for prize winnings.

In regards to this year's disqualifications, we will be revamping the rules section for the 62nd Annual Hummdinger Tournament to ensure we don't run into these situations again. We also tried out a new thing this year in combining men and women together for the Singles Handicap and we have concluded that this will go back to being separate divisions next year as it has been in the past.

If you have any comments on the tournament or something you would like added to future events, please let us know as we would love to hear from you. Again, we apologize that the appeals took so long but we are glad that the problems have been resolved and we look forward to next year's tournament already.

On a side note, we are happy to announce that we have just last week finished with our renovations to the Wauconda Bowl. We have just installed the new BES X Bowler Entertainment System, electronic bumpers, gutters, LED TV's, and touch screen consoles. We had to resist the temptation to upgrade the much loved above-ground ball returns so we decided to keep them as they are now an icon that the Wauconda Bowl is known for. We hope you all have had a great summer so far and look forward to seeing you again. Keep an eye out for our Fall 9 Pin No Tap Tournament coming up soon.

Sincerely,
Jason Kmiecik
Tournament Manager
